Wallpapers

1 Chess

Influenced by classic board games, Italian palazzo marble flooring and Vans sneakers, Eskayel founder and creative director Shanan Campanaro's hand-painted and digitally printed pattern pairs bright colours with a more fluid rendition of the grid-like motif.

Materials Clay-coated paper, latex water-based ink; In six colourways (Reef shown)

Manufacturer Eskayel, eskayel.com

2 Lagoon

Italian graphic designer and illustrator Anna Zaccaria created this dreamlike series that celebrates nature through stylized florals and varying chromatic depths. Three patterns are included, each in two colourways.

Materials Vinyl and silk

Manufacturer Or.nami, ornami.it

3 Orb

One of four non-repeating murals inspired by the "enigmatic wonders of the world" that make up the Mystique collection, Orb romantically riffs on the moon's glowing energy and can be detailed with hand-sewn felt accents.

Materials Textured Type II commercial-grade non-woven material, paper, grasscloth or felt; in four colourways (Sunrise shown)

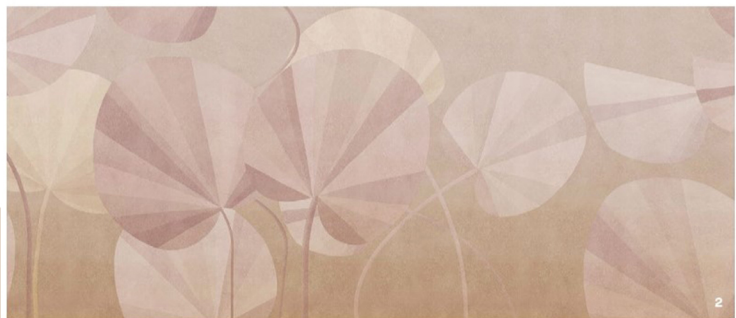

Manufacturer Jill Malek, jillmalek.com

4 Sylvan

A guest-designed wallpaper collection by New York-based interior designer Kelly Behun, Sylvan was inspired by the interplay of the shadows cast by stark trees on snow-covered mountains.

Materials Type II vinyl; in eight colourways (Boreal shown)

Manufacturer Calico, calicowallpaper.com
