OFF THE WALL

Deck your wall with Or.nami's new wallpaper collection Japonisme designed by the brand's founder and artistic director Gabriella Fusillo. Inspired by the hypnotic, mysterious allure of Japan, the range of wallpapers reveals three symbolic themes: the representation of nature, the homage to tradition, and the representation of space. The decorative works made from pure silk result in patterns that are ethereal and poetic. | Or.nami全新牆紙系列Japonisme由品牌創辦人兼藝術總監Gabriella Fusillo操刀設計，以日本的神秘魅力為靈感，絲質表面呈現富有詩意的藝術圖案，透過三種象徵性主題包括自然的表現、對傳統的致敬和空間的表現，為每所個性家居提供時尚柔和的絕佳背景。°ornami.it
